

## Welcome Letter

6/20/2020

Hooray for Summer Camp at ASA! Each week we will use movement, music, art, theater skills, and games to explore a new theme. Plan on using your creativity to guide you through each day's expedition. Some of our activities include building obstacle courses, choreographing problem-solving dances, beautifying the school grounds, singing camp songs, and of course, making friends! I can't wait to share this exciting time with you!
