BACK TO SCHOOL VERIFICATION

Before the beginning of every school year, we require parents/guardians to review and/or update their family and student information. Keeping your family's information up-to-date is crucial to the safety of your student, timely communication from Agia Sophia Academy, and that you can be contacted in case of emergency. These updates should be done online through your Brightwheel account.

I/We, _____, have reviewed Brightwheel and attest that the address & parent phone numbers listed are correct, allergies/medication & Doctor information is current, and all our authorized pickup persons and emergency contacts have been added. I/We also agree to submit changes to Brightwheel throughout the year.
